

SPONSORSHIP OPPORTUNITY

King County Metro, the Kent Chamber of Commerce and Kent4Health are partnering to get **Kent East Hill In Motion** this summer.

Kent East Hill In Motion will make it easier for residents to leave the car behind and travel by bus, bike, foot or sharing a ride. Please join us in this community-wide effort to reduce car trips!

The **Kent East Hill In Motion** program will:

- Provide travel choices information and assistance
- Offer **METRO FREE RIDE TICKETS** to encourage people to try the bus
- Give rewards to support people who pledge to reduce their car use
- Use extra rewards from local businesses

The travel choices we make affect everyone's quality of life in our neighborhood. Communities thrive and our health improves when people walk, bicycle, bus or carpool rather than drive alone. Local businesses benefit when customers and employees skip traffic hassles and choose other travel options to visit their neighborhood retailers.

Please help support **Kent East Hill In Motion** this summer by signing up now at one of the sponsor levels below.
