

OPPORTUNITIES FOR ALL

THE Y CAMPAIGN FOR KIDS AND COMMUNITIES

Building Community in Kent with a YMCA

With your help, we want to give the residents of Kent— from babies to teens, young moms to grandpas — exciting new opportunities to exercise and play, to swim and be healthy, to learn new things, and to contribute to the life and vitality of our community.

Together, in partnership with the City of Kent, we can make a remarkable impact on more than 22,000 people in the community by involving families in healthy activities, improving student academic achievement, reducing childhood obesity, building character and leadership skills, helping adults manage chronic diseases, and much more.

PROJECT HIGHLIGHTS

- **STATE-OF-THE-ART YMCA FACILITY** with pool, gym, community gathering spaces, and teen center to serve our growing populations.
- **YOUTH, FAMILY, & ADULT PROGRAMS** for every age and stage of life to bridge the lack of access to opportunities that threatens the future of South King County's children and families.
- **ACADEMIC & MEAL PROGRAMS** in partnership with local schools to give kids the tools, support, and resources they need to become thriving, successful adults.

Let's make Kent a vibrant place of opportunity for all. Join us. Support the campaign to build the Kent Y.

PROJECT COST

\$26.5 Million

FACILITY HIGHLIGHTS

- 60,000 square-foot, state-of-the-art facility in the heart of the East Hill population center
- Dedicated space for community gathering areas
- State-of-the-art aquatic center with dedicated lap lanes and family swim areas
- Gym for school-age youth, adults, and families to enjoy
- Wellness and group exercise spaces
- Indoor and outdoor recreation within Morrill Meadows Park
- Expanded existing academic, child care, and enrichment programs

We're proud of our success. But, together, we can achieve even more.

As proud as we are of the accomplishments that you make possible, we know we are still leaving many people behind. The new Kent Y is part of **OPPORTUNITIES FOR ALL: THE Y CAMPAIGN FOR KIDS AND COMMUNITIES**. The campaign will ignite our ability to offer help and hope by raising funds to expand the Y's impact by nearly doubling our capacity and enabling us to reach tens of thousands more youth and families.

Thanks to your support, children and adults throughout King County will have equal access to opportunities to live healthier lives, succeed in school, and contribute to the life and vitality of our community. You will increase our capacity to offer financial assistance to those who can't afford our programs. You will feed hungry kids and house homeless teens. You will support mental health counseling and substance abuse counseling at every Y branch.

Your gift will build three new Y branches and renovate two more. You will modernize our two existing overnight camps and construct a brand new one. You will revitalize our hallmark day camp. You will give countless kids new opportunities to engage with nature and develop into stewards of our environment.

This is your opportunity to do something remarkable for kids and communities. [Join us.](#)

300,000

How many people the Y will be able to serve throughout King County thanks to your support of the Campaign.

5 new or modernized branches

In communities that need the Y the most.

3 revitalized camps and 1 new one

Giving countless kids unique opportunities to learn and grow.

Inspiring potential

Improved and expanded programs, scholarships for youth and families so everyone can belong, and much, much more.
